**NOTICE OF INTENT TO UPDATE**

**CLINTON COUNTY'S COMPREHENSIVE (FUTURE LAND USE) PLAN**

February 10, 2021

This notice is to inform you that Clinton County has begun the process to update our Comprehensive Plan (5 year review). In accordance with the requirements of Michigan Planning Enabling Act 33 of 2008, this will serve as notice to the neighboring local governments, cities and villages of our "Intent to Plan". Clinton County welcomes your cooperation and comments.

It is our intent to complete this update over the course of the next 11 months and anticipate the plan being completed at the end of 2021.

If you would like to receive a "Draft" and/or "Final" copy of the update, please contact the Clinton County Community Development Department by providing a formal request.

Clinton County will also be utilizing the assistance of two (2) Planning Interns from Michigan State University with this update. It is possible that these interns may contact you in the future as part of data collection efforts, etc.

If you have any questions in these regards, please feel free to contact Doug Riley, Community Development Director, at 989-227-6441 [rileyd@clinton-county.org](mailto:rileyd@clinton-county.org) or Jessica Plesko, Planning/Permit Technician, at 989-227-6591 [pleskoj@clinton-county.org](mailto:pleskoj@clinton-county.org).

Sincerely,

Doug Riley  
Community Development Director
