SUBJECT: Merit Award Nomination for Brett Wittenberg

DATE: November 23, 2022

Throughout 2021 and 2022, Community Development Director Wittenberg and I have pursued a prospective business expansion with Emergent BioSolutions. This potential development required additional hours, creative critical problem solving and attention to detail. Throughout this process, Director Wittenberg has been a trusted partner putting forward a tremendous amount of effort and time towards this unique development. For these efforts above and beyond his duties as Community Development Director I would recommend a Merit Recognition and Award in the amount of \$500

SUGGESTED ACTION:

Award Brett Wittenberg with a Merit Recognition and Award in the amount of \$500.
