GENERAL PROVISIONS

§ 2. TITLE.

This Ordinance shall hereby be known as the “*DeWitt Township Marihuana Operations Ordinance.*”

§ 3. PURPOSES AND INTENT.

The purpose of this Ordinance is to exercise the police, regulatory, and land use powers of the Township by licensing and regulating marihuana operations to the extent permissible under state law and regulations and to protect the public health, safety, and welfare of the residents of the Township.

The Township finds that the activities described in this Ordinance are significantly connected to the public health, safety, security, and welfare of its residents and therefore necessary to regulate and enforce safety, security, fire, police, health and sanitation practices related to such activities and also to provide a method to defray administrative costs incurred by such regulation and enforcement.

The Township further finds and declares that economic development, including job creation and training, increase and productive land use, and the protection of the public health, safety, and welfare of Township neighborhoods and residents are public purposes.

It is not the intent of this Ordinance, except as may be required or permitted by law or regulation, to diminish, abrogate, or restrict the protections for medical use of marihuana found in the Michigan Medical Marihuana Act.

The Charter Township of DeWitt adopts this Ordinance:

- A. To implement certain provisions of the Medical Marihuana Facilities Licensing Act, PA 281 of 2016, and certain provisions of the Michigan Regulation and Taxation of Marihuana Act, Initiated Law 1 of 2018, so as to protect the public health, safety, and welfare of the residents of the Township by setting forth the manner in which specific marihuana operations may be operated within the jurisdiction of the Township.
- B. To establish the Charter Township of DeWitt Marihuana Operations Ordinance pertaining to the regulation of marihuana operations consistent with state law and regulations. Nothing

in this Ordinance purports to permit activities that are otherwise illegal under state or local law or expressly prohibited by this Ordinance.

C. Further, this Ordinance:

- (1) Prohibits Marihuana Provisioning Center and Retail Establishment licenses and similar marihuana operations under the MMFLA and MRTMA within the boundaries and jurisdiction of the Township.

- (6) To provide fees to defray and recover the costs to the Township of the administrative, fire, and police costs associated with marihuana operations, and permitted marihuana activities as provided under the MMFLA and MRTMA, as permitted under this Ordinance.

D. This Ordinance authorizes the establishment of specific marihuana operations within the Charter Township of DeWitt, Michigan, consistent with the provisions of the MMFLA and MRTMA, and with regulations enacted by the Department, and subject to the following:

- (1) Nothing in this Ordinance is intended to promote or condone the commercial marihuana cultivation and grow, processing, transportation, testing, production, distribution, sale, or possession of marihuana in violation of any applicable law.
- (2) This Ordinance is to be construed to protect the public over marihuana operations and licensee interests. Operation of marihuana operations is a revocable privilege

and not a right in the Township. There is no property right for a person or establishment to engage in or obtain a license to engage in marihuana as a marihuana facility, establishment, or marihuana operation or enterprise within the jurisdiction of the Township.

- (3) All licensees and their employees and agents are assumed to be fully aware of the law; the Township shall not therefore be required to issue warnings before issuing citations or other enforcement measures for violations of this Ordinance or any applicable Township ordinance, regulation, or state law or regulation.
